

**Dove Healthcare – Barron *now also features*  
*Independent Living for Seniors 60 and Better***

**1333 Memorial Drive · 715-537-1151**

If you are not ready for our assisted living services, but would like to move to a senior-friendly apartment and have a nutritious meal every day, our independent living option might be the perfect option for you. As your needs change, you can start accessing care and additional services at any time so that you can continue to stay independent in your apartment.

An assessment prior to admission will help us get to know you and assure your current level of independence is compatible with our independent living option at Dove Healthcare - Barron.
